# ASA Registration Fees

IMPORTANT

- **ASA Registration fees** have been steadily increasing without the club increasing fees to cover the cost. This is no longer sustainable therefore for 2011 the club will introduce a once a year payment fee to cover part of the cost. **For 2011 this fee will be £12.50.** Note: This is normal practice for most clubs in the region.
- **All swimming and water polo bill payers are therefore requested to make a payment to the club;** this can be by cheque or cash . Cheques need to be made payable to Weston-super-Mare Swimming Club. The Treasurer will collect cheque/cash payments at the swimshop on Thursday nights or cheque payments can be left in an envelope behind notice-board glass.
- **Category 1** - all swimmers of clubs that do not compete in competitions other than low level competition (Novice Galas, in-House competitions and similar
- **Category 2** - all club swimmers that compete in Galas, Open Meets and Championship Events.
- **Category 3** - All Officials, Committee Members, Coaches, Teachers, Helpers

## *Registration Fees for 2011:*

- **Cat 1 £7.10**
- **Cat 2 £23.25**
- **Cat 3 £4.10**

This does not include Regional and County Fees which are added on top. **Last year's bill was £4696.85!**

**Note:** This does NOT apply to anyone having joined the club in the last 3 months of 2010
